Judges

The Court orders that the motions for immediate consideration are GRANTED.

On the Court's own motion, Issue II of the application, which pertains to the trial court's February 1, 2010, order is STRICKEN. This Court may not grant leave to appeal since the order was entered more than 12 months ago, MCR 7.205(F)(3), and defendant-appellant did not provide this Court with an additional entry fee. See IOP 7.205(B)(7)-1.

The motion to allow the supplemental brief is GRANTED.

The application for leave to appeal is DENIED for failure to persuade the Court of the need for immediate appellate review.

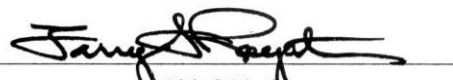

The motion for stay is DENIED.
